B2B Marketing & Growth Specialist | ICT & Tech Solutions

PROFESSIONAL SUMMARY

Results-driven Marketing Manager with a Bachelor of Business Administration and extensive experience in B2B growth, digital strategy, and brand positioning. Proven track record in developing comprehensive marketing plans, managing media buying (Google/Meta), and driving lead generation for technical and fintech sectors. Skilled in cross-functional collaboration, market intelligence, and leveraging analytics (GA4) to optimize ROI. Adept at creating compelling corporate collateral, managing public relations, and executing digital campaigns that enhance brand visibility in competitive markets.

CORE SKILLS

- B2B Marketing Strategy | Digital Marketing & SEO/SEM | Media Buying (Google & Meta Ads)
- Content Strategy & Copywriting | Market Research & Competitor Analysis
- CRM & Lead Generation | Marketing Analytics & KPI Tracking
- Public Relations & Corporate Communications | Project Management & Budgeting
- Cross-Functional Collaboration | Technical Documentation & Case Studies
- Social Media Management

PROFESSIONAL EXPERIENCE

Growth & Digital Marketing Manager - Financial Markets & Fintech Platforms

2021 - Present

- Developed and executed comprehensive B2B and B2C marketing strategies, driving user growth and lead generation across MENA, EU, and Asian markets.
- Managed annual marketing budgets and KPIs, optimizing ROAS and conversion rates through data-driven media buying on Google and Meta platforms.
- Led public relations and corporate communications, including press releases, newsletters, and success stories to enhance brand visibility.
- Collaborated with sales and product teams to design campaigns that attracted qualified leads and supported business development goals.
- Utilized Google Analytics (GA4) and server-side tracking to monitor performance, providing actionable insights for continuous campaign optimization.

Community & Marketing Manager - XT.com (Crypto & Web3)

2020 - 2021

- Strengthened brand presence through consistent messaging and content creation across social media and Telegram communities.
- Executed digital campaigns and AMA events to generate qualified leads and enhance brand awareness in the technology sector.
- Conducted market intelligence and competitor analysis to identify trends and recommend strategies for market positioning.
- Coordinated with vendors and key opinion leaders (KOLs) to maximize visibility and networking opportunities.

Freelance Full Stack Developer & Creative Strategist - Self-Employed / Personal Portfolio

2018 - 2020

- Delivered 150+ projects with 100% client satisfaction, demonstrating strong project management, deadline-driven delivery, and cross-functional communication.
- Developed marketing collateral, including web applications and automated systems, supporting client business development activities.

- Applied UI/UX principles and technical documentation standards to create professional case studies and client presentations.
