PROFESSIONAL EXPERIENCE

Growth & Business Development Manager - Financial Markets & Fintech Platforms

- Identified and engaged high-value prospects and key stakeholders across MENA, EU, and Asian markets, building a robust pipeline of qualified business opportunities.
- Executed personalized, multi-channel outreach strategies (email, social, direct communication) to connect with decision-makers and drive conversion rates.
- Conducted deep-dive account research to understand organizational structures, priorities, and leadership, tailoring outreach messages to specific business pain points.
- Managed full-funnel KPIs including lead generation, conversion optimization, and sales funnel progression, ensuring accurate tracking of activities and opportunities.
- Collaborated with senior leadership to prioritize target accounts and refine outreach strategies based on engagement data and market feedback.

Community & Marketing Manager - XT.com (Crypto/Web3)

- Built and managed relationships with Key Opinion Leaders (KOLs) and influencers, acting as a bridge between the brand and high-value community members.
- Drove user growth and engagement through targeted campaign management and persistent, consistent interaction with target audiences.
- Developed compelling content and outreach materials that resonated with diverse international audiences, enhancing brand visibility and trust.
- Analyzed engagement metrics to refine communication strategies, ensuring maximum impact from every touchpoint.

Freelance Client Relations & Project Lead - Independent (Portfolio)

- Managed end-to-end client lifecycle for 150+ projects, from initial discovery and scoping to delivery and post-sale support.
- Negotiated contracts and proposals with clients across 12+ countries, ensuring alignment on scope,

- budget, and deliverables.
- Maintained 100% client satisfaction through proactive communication, transparent reporting, and rapid response to inquiries.
 - Utilized CRM and project management tools to track client interactions, deadlines, and project status with precision.
