PROFESSIONAL EXPERIENCE

Growth & Digital Marketing Manager - Financial Markets & Crypto Platforms

2021 - Present

- Defined and implemented strategic growth plans for major financial platforms, driving year-over-year sustainable growth through data-driven campaign management across MENA, EU, and Asian markets.
- Strengthened customer intimacy by presenting tailored solutions that enhanced operational KPIs, managing full-funnel metrics including ROAS, conversion optimization, and lead generation.
- Collaborated closely with engineering and technical teams to align customer needs with risk mitigation and profitability goals, ensuring seamless delivery of complex digital products.
- Compiled market intelligence on trends and competitor positioning to inform strategic actions, utilizing CRM tools to provide timely updates on opportunities and pipeline status.
- Ensured strict compliance with industry regulations and ethical standards in all business development and marketing activities.

Community & Marketing Manager - XT.com (Crypto Industry)

2020 - 2021

- Developed relationships with key decision-makers and influencers (KOLs) to influence decision-making processes and expand market reach in the Web3 ecosystem.
- Supported strategic growth initiatives by coordinating cross-functional campaigns, ensuring alignment with regional business plans and brand positioning.
- Managed end-to-end client onboarding and relationship management, focusing on retention and long-term partnership development.
- Analyzed customer feedback and market trends to refine product messaging and improve customer operation KPIs.
